# Who the Heck are Quirky Weddings?

Welcome to Quirky Weddings – where individuality reigns, and traditions are yours to rewrite! Founded in 2019 by multi-award-winning wedding planner Lily Jones, Quirky Weddings has grown into the UK's largest alternative wedding fayre, championing inclusivity, accessibility, fun, and uniqueness.

Our mission? To shake up the wedding industry and empower couples to celebrate their love their way.

We're proud to be part of the positive shift making the wedding industry more diverse and accepting. Progress has been made, but there's still work to do, and we're here to push boundaries and break stereotypes.

# Our Audience

**The Quirky Weddings audience is made up of creative, open-minded couples who refuse to settle for a cookie-cutter wedding. They're excited to break traditions, ditch outdated expectations, and design a day that truly reflects their personalities. Many feel overwhelmed by the mainstream wedding industry and seek suppliers who embrace their individuality without judgment. By exhibiting with us, you'll connect with couples who are passionate about making their wedding uniquely theirs—fun, meaningful, and unapologetically quirky!**

# **What our Exhibitors Say...**

**"I had the best day at a Fayre ever at the Vinoteca one. Really needed to meet all those suppliers and lovely couples to reinvigorate my feelings about myself, my brand and why I was doing it in the first place. It was the first Fayre I've done where I felt completely comfortable to be me."**

**Maisie the Celebrant**

**"The fayre as a whole was brilliantly organised. Communication from the start has been fantastic, the vast majority of the couples at the fayre were my ideal clients, and team at the venue on the day were absolutely amazing. They couldn't do enough to help us and I felt really well looked after all day. This was my first time exhibiting with Quirky Weddings; I'll be spreading the word and I'll definitely be back at another show!"**

**Wit & Wonder Ceremonies**

**"I just wanted to email to say thank you so much for creating the Quirky Wedding Fayre! I had my second one with you today and it was fantastic!!!**

**You have created such a wonderful space for all of us to come and share our work with such like minded individuals. I had the best day today ! Met some incredible people not just the newly engaged but other exhibitors which some of us are now looking forward to collaborating together in the future. I can't wait for the next one!"**

**Harriet Christelow**

**"Just to say, I loved yesterday. It's probably my favourite wedding fayre I've ever done. Such a lovely atmosphere, not over crowded with suppliers and we were well looked after and it was well organised."**

**Charlotte Peck**

**"So far I've had 5 bookings from the wedding fayre, and it's brought in over £13k!**

**So I'm really impressed with the first fayre I've done with you guys and will definitely be attending every fayre I can get to in future.**

**So thanks again for putting them on, it really does make a difference to small businesses like myself"**

**CRT Weddings**

**"We met so many wonderful people. This Fayre was buzzing with so many couples planning their dream weddings. I thoroughly recommend the Quirky Wedding Fair for you to exhibit at in the future. One of the best we have ever attended! Thank you!"**

**Letters in Lights**

**"Thank you so much for having us, it really was a fantastic event! Really well organised both in the run up to the fayre and on the day itself which allowed me to just focus on setting up and being there to talk to customers, rather than wondering where I should be going and when, where to set up and where the basic facilities were! The attendees were the ideal demographic for Le Keux Vintage Kent and I had so many fun and positive conversations, plus I even got a booking that day which I never expected in a million years. What you offer is fantastic value for money, not just in terms of the fayre itself but all the added extras you include which are always an additional cost with other fairs. I can't wait to attend the next one!"**
